Hi

The issue lies in the fact that Marta was owed 15 days from 2017, as that is the year the hotels in Miami were acquired (September and November), and she didn't take the 15 days she was owed. I imagine the whole problem originates with that.

Regards

Teresa

Good morning,

I see that this topic is even more complicated. Let's see if we can reconstruct this. I've inserted my comments in red.

Good afternoon, Marta

Cristina tells me that I should send you an email explaining the issue of the unused vacation days. Here are the details

2019 vacations = I have taken 26 days between August and Christmas, and I therefore have 4 unused days for 2019. With respect to that we are in agreement and the numbers are clear. Cristina, can you send me those days Marta says are actually from 2019?

The discrepancy arises due to the week (7 days) I had approved in June 2019 that was canceled because Pablo left for Chicago and I returned to New York to cover for him in the hotel. That vacation week was confirmed and it belonged to the unused vacation days for 2018 I wasn't able to take because it was canceled.

**The vacation days belonging to 2018 were as follows =**

7 days from October 15 to 21, 2018 (that week was put back from August when I was unable to catch a flight due to a medical problem). 7 days

what does she mean that she still had 21 unused vacation days on December 31, 2018? **This is where the problem lies** 14 days from May 27 to June 9 is that from 2019??? (that second week was the one that got canceled) If that is the case — that it's from 2019 — I'm aware that she returned on June 2, which is therefore 7 days

July 1 to 4 is that from 2019 ???. If so, unless there's an error, I believe she was authorized from July 1 to 7, 7 days

If this is correct it means she has been carrying over 7 days from 2018 ...

I remain at your disposal

Best regards
